

Brief on Accounting and Finance for Non finance Executives of MFIs

Duration: 5 Days

Language: Bangla (Native Language) and English

Course Brief:

Many executives, branch managers and CEOs of MFIs have non-accounting background. Accounting and financial information are critical in the decision making process of the Executives. A better understanding of the process of statement preparation and financial information will lead to informed decision. This training module is designed to cater the target audience in a manner so that they can understand how and why accounting records are prepared, summarised and interpreted. This will enable them to supervise in an efficient and effective manner and question any anomalies to the accountants and thus contribute to the sustainability of MFIs.

Target Participants:

This course is primarily designed for the Executives, Branch Managers and Senior Managers, who are from non-accounting background.

Course Objectives:

After completion of the programme, participants will be able to:

- **UNDERSTAND** the accounting process of recording, summarising and interpreting data.
- **DETECT** errors and omissions in financial recording and reporting.
- **PREPARE** financial statements as per accounting standards.
- **ANALYSE** financial statements and make decisions for better financial management.
