

# Brief on Monitoring and Evaluation of Microfinance Programme

Duration: 05 Days

Language: Bangla (Native Language) and English

## Course Brief:

The training has been designed for effective monitoring and evaluation of different microfinance programmes and this course will assist in the development of practical knowledge on monitoring and evaluation of microfinance programmes. The participants will also learn the ways to design an effective monitoring system and to apply this in their own organisations.

## Target Participants:

Mid-level to senior level staff of MFIs, who are responsible for programme management, coordination, and supervision, are the target participants of the course.

## Course Objectives:

Upon completion of this course, the participants will be able to:

- **EXPLAIN** the conceptual framework of 'Monitoring and Evaluation (M&E)' System.
- **MONITOR** their existing microfinance programme and find out the gap if any.
- **REVIEW** and upgrade their existing M&E System.
- **DEVELOP** M&E Matrix for a microfinance Programme.
- **USE** different tools including simple questionnaire survey, focus group discussion (FGD), Interview, PRA, qualitative/quantitative methods etc. particularly in their microfinance programme.
- **PREPARE** M&E report of microfinance programme.
